

John,

You asked me to fill up these two pages for you, but it's unnecessary for me to do so. There's no way that I can remember all those things we did, to you; I must remember them for yourself, just as I will.

These years have gone by so very fast for me, and I only wish I had met you sooner. For God's sake, don't rush your high school years along. Make every possible moment count, for the things that seem so little will seem so very large as you recall them.

You can go for John - the only thing in your way is yourself. Dream your dreams for a man without dreams has no future.

Don't keep that attitude about never seeing me again, because keeping in touch isn't hard. Just

Stimpson and John

Remember that it takes two to do so.
I hope to see you at Cranberry Lake.
It's only \$2.75 for the bus to Water-
town.
Do things well, and keep your
head straight. God bless you.
With love,
Lennie

... And through the open door that time unlocks
feel the fresh breathing of tomorrow creep.

Because in the world today it is indeed so very difficult to find a man who is not only these things but so many more:

We the Class of 1973 dedicate our LYRE to you, Mr. Pelcher.

You are truly a very exceptional person and although we could never adequately express our gratitude we sincerely hope that this will convey a small portion of it. Thank you Mr. Pelcher for being you.

Dear Reader,

Within each of us is a camera, our memory. It takes pictures not only of the things we see, but also of the things we think, feel, dream, and remember. A real camera takes pictures that remind us of the things we thought, felt, dreamt, and remembered.

When we see a picture it may remind us of a time of victory, or of defeat. A time of sadness or of joy, a time of pleasure or a time of pain. But in twenty, thirty, or forty years as we reread this book to find the name that we won't remember it will remind us of a time. A time when we will have been happy, joyous, victorious, and carefree. It is in this spirit that I present LYRE NINETEEN HUNDRED SEVENTY-THREE.

I would like to thank Mr. Baker, Mr. Bovee, and Mr. Osgood for the time and effort each has contributed to this publication. I would also like to thank my staff for the time they took out of their day to work with me toward our common goal.

Thank you,

Lawrence LeClair

SOUTH AFRICA

Upon my arrival in the United States of America, I was asked whether I could identify myself as a part of the South African culture. At that time, I was rather dumbfounded by the question and could find no suitable answer to it. It was, in fact, rather like asking a person who had only known black hair people whether they liked blonde hair people.

I can now, however, say thanks to my experiences here as an American Field Service student, that I identify myself with the South African culture, and that I am a definite product of its beliefs, hopes, beauty, problems, and frustrations. This alone has lead to a greater understanding of human nature and its recognition is the basis for love and peace between nations.

As a result of my year here, I have come to know a little bit about the States as a "believer" rather than from a tourists's or visitor's point of view. I have, in fact, reaped the benefits that any American Field Service student stands to reap as the result of a year abroad in a foreign country.

MARK DIFFORD

A. F. S. Motto

Walk together . . .
Talk together . . .
O ye peoples of the earth.
Then . . . and only then
Shall ye have peace.

GERMANY

My A.F.S. experience began with the realization that I had only two months to adopt a lifestyle entirely different from my own; and ended with the knowledge that not even spending the rest of my life away from that lifestyle could erase the impact that it had on my life.

I spent the summer in Esch, West Germany with Toni and Annaliese Krapp and their two sons, Norbert and Gregor. My parents, my brothers, my neighbors and friends taught me to look upon people and love them for what they are, not for what they might be. Their friendliness and kindness showed me that peace is possible even in the aftermath of war.

For this summer, and for the new life that I have begun, I thank them dearly.

AFGHANISTAN

Afghanistan . . . a starkly beautiful land of bitter extremes. Out of my window this summer I could see towering, snow-capped mountains rising from valleys and gorges. Plentiful orchards and vineyards dissipate into barren deserts . . .

Afghanistan is a land struggling against its natural surrounding . . . and cultural barriers. I was fortunate enough to have been selected as a participant in the American Field Service as an Exchange Student. For two months, I lived with the Sayid Murtaza family in Kabul, Afghanistan.

Even though our religion, languages, and customs were different, we got to know each other very quickly. Through this experience, I learned to accept and love a culture completely different from my own.

Cultures vary all over the world yet people are all the same.

You take something out of your mind, garnished in
kindness out of your heart, and put it into our minds."

The class of '76 wishes to thank Mr. McDonnell for the tremendous help and advice he has given us throughout our first year in Baker. He showed us the road to success, and helped us when we took on more than we could handle. His hand was there and steadied the responsibilities we accepted to do. Our greatest thanks goes to him for taking time to help us, and guide us to a successful start at Baker.

Sincerely,
The officers and student

VARSITY LACROSSE

Coach John Grant's initial season as head coach for lacrosse at Baldwinsville was somewhat disappointing as the club compiled an overall 6-9 record and a 3-7 record in league play. Five members did receive recognition for their excellence in lacrosse, however. Goalie Bob Durland was named to the first team All-County squad and the second team All-Upstate-Conference unit. Also, defensemen Tom Cardella and Dave Sieger, midfielder Rick Young, and attackman Tom Clark received honorable mention All-County and All-Upstate-Conference honors.

This year's team will feature a seasoned and potent attack and midfield and if Coach Grant can solve his problem of rebuilding the defense, his squad will prove a worthy opponent.

On attack returning from last year will be Tom Clark, top-scorer Pete Fiorini, Dave Campbell, and Greg Cunningham.

The midfield will also be experienced with returning lettermen Tom Wilcox, Mark Schrader, Bruce Quimby, Pete Krawiec, and Bill Adsit.

However, the defense was hard hit by graduation and transfers, leaving defensemen Steve Wysokowski and back up goalie Jim Hook as the sole returners.

JV'S

As far as the 1972 Junior Varsity Lacrosse team was concerned, it was a "start from scratch year." It consisted of many un-experienced players yet made a fine showing, finishing with an 8-6 record in league play.

The year was not only a first for many of the players but also for Coach Jim Andrews or known as "Agnes" for those who played for him. He and Captains Andy Rice and Brian Wolken lead them through a most exciting year. We will always remember him because of the great four to six practices!

The 1972 Varsity Golf team ended the season with a fine 12-5 record which placed them third in the O.H.S.L. and fourth in section III competition.

Bill Grygiel, the number one stroker for the Bees shot a 78 in the All-County Tournament which was good for second place all star honors. Bill also carded a 34 for nine holes which set the new school record.

1972 TRACK

This was another one of those years for track at Baldwinsville; the season mark stood at 9-1 in dual meet competition. The sole setback was a heartbreaking five point loss to Liverpool which cost the County prospects for a great season next year very good. Many fine performances were turned in this year. Half-miler Bill Beebe won New Hartford Invitational, Baldwinsville-Liverpool Invitational, and County League titles. Greg MacDonald compiled an undefeated record for dual meets in both the long and triple jumps. The two-mile relay team of Beebe-Havranek-Anderson-Morenz was not defeated as they set records in the Section III Relay Carnival and Baldwinsville-Liverpool Invitational. John Murray showed all-round talent in the 220, 440, and 880.

Veterans Tim Kelley and Bruce Flynn did well. Other high scorers were Roy Mosely, Dick Quinn, and Don Paige. Encouraging was the exceptional promise shown by freshmen Paige, who often won the mile, Gary Mercer, Rick & Ray Tetrault, George Armstrong, and Randy Anderson.

Tim Kelley: School record, high jump (6'3"), County Champ.

Don Paige: Frosh mile record — 4:41.8 (old record — 4:59.8).

Greg MacDonald: County Champ — long jump and triple jump.

Bill Beebe: Team's Outstanding Athlete, County Champ — 880 yd. run. WHEN "Athlete of the Week" May 18-25.

Mile Relay: J. Murray, B. Beebe, E. Havranek, T. Anderson. School record — 3:35.7.

Two-Mile Relay: B. Beebe, E. Havranek, T. Anderson, R. Morenz. School record — 8:26.8. County Champs.

19 BASEBALL 72

"April showers bring May flowers" it is written, but it seemed never to stop raining during the 1972 baseball season. Half the nemesis was truly wet grounds as the Syracuse area recorded one of its wettest Springs ever. Cancellations, postponements, and pile-ups were routine in a play-it-by-ear schedule of twenty-one games. The other gray cast appeared in the form of extra-strong opposition and an unfilled gap in the outfield defense system. But every cloud has a silver lining. Coach Roy Engels diamond nine managed nine impressive wins overall and a fifth place League stand. Despite losses it was felt that Baldwinsville has not seen better baseball in many seasons. Highlighting the victorious moments were mound ace Tom Gahagan's one-hit mastery over a strong Oswego team 2-0, a comeback slaughter over Jamesville-Dewitt, 12-3, featuring homers by Gahagan and catcher Jack Montague, two tough wins over North Syracuse 4 to 1 and 10-7 aided by an over-the-fence blast by shortstop Bob Williams, and a sweet 7-5 triumph over West Genesee after a lead-off four-bagger by All-County centerfielder, Jim Marsh.

J.V.'S

The 1972 Junior Varsity Baseball team ended up with a record of 7 wins and 10 losses. The JV Bees couldn't get off the ground at the beginning, but ended up strong. Gary Sturm was the leading pitcher for the Bees, including a no-hitter against J-D, and Mike Campbell was the leading hitter for average. There will be five openings on the Varsity squad for which last year JV's will try for.

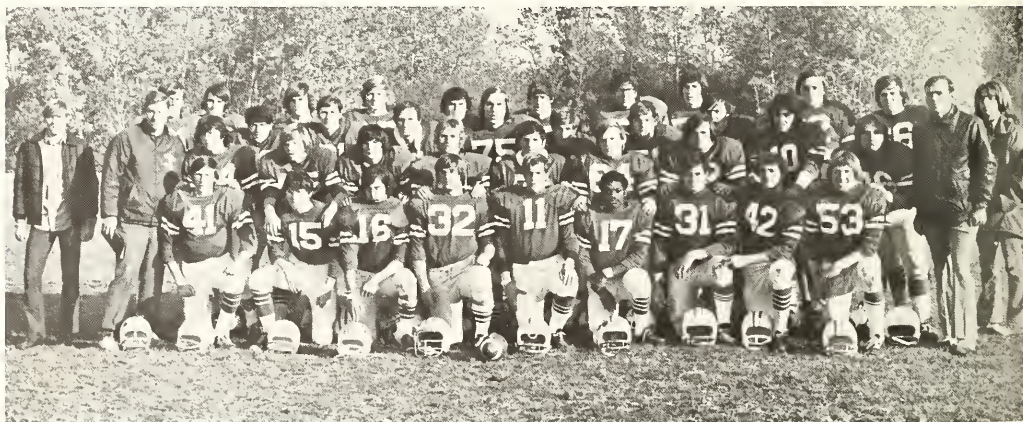

ROW 1: T. Spencer, M. Wilder, M. Campbell, A. Abbott, G. Sturm, M. Pallos. ROW 2: Coach Deloff, D. Brissenden, G. Dadey, R. Williams, J. Stanton, B. Radel, B. Geaf.

Due to photographic problems, apologies to the '72 tennis team for not having their pictures. They deserve credit for their fine 10-3 season behind first year coach Dillon. Gary Hewitt was named outstanding player on the 1972 squad. The team consisted of Vince Mitchell, Carl Nielsen, Karlis Viceps, Gary Hewitt, Rick Persson, and "Rosebud" Wedemeyer.

The 1972 Varsity Football team ended the season with 2 wins, 7 losses, and no ties, which placed them 4th in the Seneca Division and tied for 9th place in the O.H.S.L. standings.

The 1972 Bees were never out of any game the whole season and could have won three other games; Oswego, North Syracuse, and Fulton.

The strong points of this years team was the defense, which gave up only 14 touchdowns which was just 50% of the points scored on the 72 team. The rest of the points were scored off fumbles and interceptions. On the total offensive plays the Bee's defense kept its opponents to a 3.7 yds. per play average, block 4 punts, intercepted 15 passes, and recovered 8 fumbles. The other strong points of the team was the running of Roy Mosley and Rick Monterville. Roy Mosley and Rick Monterville led the offensive backs with Mosley doing most of the heavy running racking up 854 yds. and Monterville doing some good running (735 yds.) and catching (14/186 yds.) from the slot position.

The Defensive Unit would especially like to thank Bill Assenheimer for his help and enthusiasm all year long.

All-County honors came to 13 B'ville players this season: 2nd Team — Steve Wysokowski, Dan Boyle, and Dan Snell; Honorable Mention — Roy Mosley, Bob Ellis, Mike Nuss, Greg MacDonald, Vince Pelose, Mike Collins, Terry O'Leary, Doug Soper, Bruce Quimby, and Rick Monterville.

SOCCER

This year's soccer team was one of the best in the school's history, being the first ever to receive a bid as one of the area's outstanding teams; competing in the Section III tournament. Although eventually being knocked out in the Quarterfinals by Rome in double overtime, the team can be very proud.

The Varsity Soccer ledger for 1972 looked this way: 7-6-2 overall; 5-4-2 league record; 6-0-1 at home; 1-6-1 away; 1-1-0 Section III competition. Leading scorers for the season were Greg Cunningham with 13 goals, 2 assists and Dave Campbell with 3 goals, 7 assists. Tom Lyness had an outstanding season, playing with enthusiasm everywhere on the field but the goal. He got 4 goals, 2 assists, and was voted Outstanding Senior, and made All-County first team. Other scorers this year were More (2-1), Atwater (2-1), and Downing (1-1). Bill Beebe's consistently skilled play in the center was a major key to success. Joining him at the halfback position were Tim Anderson, Terry Dwyer, George Bonneville, Andy Rice, and Ed Havranek. This year's defense was manned by Phil Dwyer, Neil Hitter, Scott Aja, Karlis Viceps, and Bob Fancher. Goalie Bill Radel was honored as Most Improved Player for his excellent job all year. At this point in the season, the Bee's final basketball fortunes appear indecisive. The season has been up and down so far. A high point of the season was the Christmas tournament. A New York City team, Richmond Hill, came to Baldwinsville and stayed with team members. In a well played opening game, B'ville came out the winner. The finals the next night were played at Corcoran. It is hoped this type of tournament may be continued. The year's team showed excellent balance and depth. Its pivot spot was manned by Steve Wysocowski and Pete Fiorini. There was playmaking by Mike Savonovitch, Terry O'Leary, Dick Quinn, and Greg Cunningham and strong rebounding by Greg MacDonald, Al Pillans, Tom Wilcox, and Ed Seggar.

INDOOR TRACK

The strength of this year's team lays in the middle distance events. Bill Beebe and Ed Havranek in the 600, Bob Morenz in the 1000, and Don Paige in the mile combine for most of the team points. This quartet joined together to break the school record in the 2 mile relay by over 20 seconds. Other standout runners are Dave Johnson, John Buckley, Chris Lalla, and long distance runner Paul Crego.

SWIMMING

72-73

At the halfway mark of the season, it is already evident that this is the best year for swimming in Baldwinsville. Seniors this year were Mike Goodman, Don Cole, Kevin Cartner, Chuck Dreas, Ron Kramer, Tim Holtman, and Jim Furbush. Outstanding performers this year were soph Mike Mowins, with 2 school records; Don Cole, leading in the point department; and Mike Goodman's 10 wins in the backstroke.

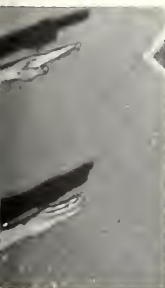

Next year looks good, too, with Mowins back, along with Bob Johnson, Kerry Murphy, Bob Albert, and Paul Gerhardt returning.

SWIM TEAM

The 1972 swim season was a success for all members of the girls varsity team. The team record of 1-6 (beating only Cicero-North Syracuse) was no indication of what was accomplished. Each girl, through countless hours of hard work and determination showed definite improvement in both her stroke and her time. Outstanding swimmers for the team include sophomore Connie Krawiec, who was voted the teams most valuable swimmer. She placed 4th in the Section III Championships in the 100 yd. IM. Captain Cheryl Shackleton flew to the only first at the Liverpool meet in 50 fly. Diana Hildebrandt, Beth Lyness, Mandy Maurer, Lisa Durkee, and Pat Cowdery are all terrific freshmen that will be the basis for bigger and better things next year.

Those returned are: forwards Dianne Sweeting and Cheryl Seger on the wing; Becky Powers as inner; and Kathy Merriam as center forward. Returning halfbacks are: Sue Durland, Sharon Barlow, Lynn Ellis, and Kathy Barnell. Returning defensive players are fullback Deb Landers and goalie Diane O'Brien. New additions to the team this year were: Sue Metzler, Deb Gale, Pat Bessette, Finni Bos, Deb Markert, and Deb Wilmer. Gamma Alpha Mu has been a familiar name at C. W. Baker High School since 1950. This name has meant sisterhood for members past, present, and hopefully for all future members to come. We, as sisters, try to convey this feeling through the many charitable projects that we have undertaken in past years.

For example, we visit Elmcrest Children's Center and the Baldwinville Sanitarium periodically. We also aid other groups in community projects. We sponsor a Mexican child

through the Christians Children's fund. We have all enjoyed working with others through Alpha Mu.

Our graduating sisters: Sue Collins, Chris Dale, Lynn Neave, Kathy Neufang, Leslie Lamirande, Terry Shrempt, Karen Smith, Debby Tyrrell, Estelle Whorral and Vicky Wood would like to say Thank You to Gamma Alpha Mu for making these past years a very enjoyable experience that will never be forgotten.

John,

I guess i'll

DEAR
John,
why did I even
meet you? I wish I
never had! (NOTESUP) you're ok.
Good Luck always and have
fun (like) know you will!
Candy

John,
I've found a friend in you. You've been a great
friend and person. You've helped me alot when I was
down and even though you tend to be sarcastic
at times, I really like you. I know you've got 3
more years left, but don't be in a hurry to get
out because they're really the best years of your
life. I'm finding that old now. So hang in there
and whatever you do, don't fail cuz I don't want
a Freshman talking me to the Junior Ball next year!
I'm only kidding. I know you'll pass because you
want to. So try your hardest and pass all your
finals. Have a nice summer and remember,
you have to go past my house to get to your
grandmother's, so stop sometime and see me.
I really want to keep in touch this summer.
Maybe I'll come up and play a game of basket-
ball with you. But I could beat you. We'll see.
Take care of yourself and try to stay out of trouble.
I'll see you around. God Bless you always,
Love always,
Stacie

Dear John -

you always have so much to say to a good friend but you never seem to be able to think of anything when you have to write it down. We had a lot of good times together, always remember them! Like all the games, dances, wrestling matches etc..., There will be many more next year. Also, remember all the "fun" times we had with Russ Maschirei's 1st semester = 15 2nd semester = 17 or was it 19? I don't remember But.....

Well anyways, - - - I wish you didn't get changed out of that class. Now I sit up where you used to because I talk too much. Yea, I almost talk too much - like, I never even talk man. Well, I'm baby sitting right now, and as I sit out on the front porch, I can see Terrie's car over at Judy's house. She is ALWAYS over there. And don't think I didn't see you come out of the library 8th period w/ Terrie // Do you EVER go to ^{English} class?))) I think her picture in this Lyre is REAL good - her eyes sparkle (she's pretty)

Well, I sure wish you didn't break that George Carlin tape but... you did, \$500.00 & I will always remember that. Remember that performance I made in the main Foyer, that time, I think it was after a wrestling match, either that or a B-Ball game. Well I wasn't very good then, But I borrowed the tape again after that and I got a little better. Even tho I'll never hear it again (sniff sniff) I will still always remember it. Well John, you're a super great kid - stay that way & you'll always be my friend. Always remember me as a friend with a "bump" in her nose. I didn't get a Lyre so Tammy made me one and everybody is signing it so I want you to too. Candy even made pictures in it, I hope you don't mind me using up the whole back cover. But I just wanted to write enough so you'll always remember me. Well, we had a fun... And through the open door that time unlocks feel the fresh breathing of tomorrow creep. years are as good as this one was. God Luck on your exams friends always, see ya' round kid - Love Chris
